3.6 Show Specific Changes to Standard Setup

Please note that the standard setup in The Studio Theatre can be altered for a specific show's needs but the time needed for re-instating the equipment back to standard setup may be subject to charges for staffing time.

4. DRESSING ROOMS

The Ruddock Performing Arts Centre has 2 small dressing rooms, with a maximum capacity of 8 people in each room. These are shared between The Ruddock Hall and the Studio Theatre.

Please enquire with the Ruddock PAC staff if you require additional dressing rooms.

The two dressing rooms are fully accessible for artists with disabilities. They are both on the same level as The Ruddock Hall and Studio Theatre stages with shared accessible toilet and shower facilities. There is a lift to enable access to all levels of the Ruddock Performing Arts Centre.

Please advise the Ruddock PAC staff if you have any specific requirements that need to be taken into account whilst you are using The Ruddock Performing Arts Centre.

5. DANCE STUDIO / REHEARSAL SPACE

Designed specifically for dance, the first floor studio space benefits from panoramic open views across Winterbourne Gardens and offers performers a unique open space with plenty of natural light. This makes it a perfect place for performance, rehearsals, conference, meetings and receptions.

Room dimensions: 9.25m x 9.75m, with an 8.5m x 2.1m full length mirror along one wall.

Reversible Black or Grey Dance floor is available on request.

Dressing room facilities and wash facilities are available but will need to be arranged prior to any hire. Please enquire for more information.

Please enquire about booking this space out for drinks receptions or small conferences.

5.1 Audio Visual Equipment

No.	Item
1	Christie DXG1051-Q, 10000 lumen Projector, ceiling mounted
	Retractable Screen mounted on wall opposite mirrors

Laptop playback: HDMI & VGA input panel for projector below Projector Screen.

Audio Playback is available from devices via a mini-jack input.

Please provide any adapters to HDMI or VGA that are required for equipment brought into the venue.

6. Additional Technical Equipment

The Ruddock Performing Arts Centre has a stock of additional stage, lighting, sound, and audio-visual equipment available for use which may subject to an extra re-chargeable cost.

This equipment is shared between all spaces within the Performing Arts Centre and is also used to support the various school activities that take place across the whole site, please confirm with the Technical Manager whether it is available if you wish to use any of it for your event.
